

THE UNITARIAN UNIVERSALIST CHURCH OF FRESNO

A Different Way To Do Church

We are a liberal faith community that honors the inherent worth and dignity of all people, and all spiritual perspectives.

We welcome people who are gay, lesbian, bisexual, transgender, non-binary, gender fluid, and queer.

We side with love.

We celebrate the spiritual curiosity of children, youth, and adults.

We believe all of us are called to help shape a more just and compassionate world for all people.

We would be honored to have you join us on our journey.

CHILDREN'S EXPLORATION

At UU Fresno we won't tell your children what to believe or how to pray. Instead, we'll explore a diverse range of spiritual and religious practices. Here, your children will be guided in open space to cultivate their own understanding of truth and meaning. Our Unitarian Universalist values also call us to put our love into action and our youth programming will also build bridges of compassion as we work for social justice in our community and world.

Children are welcome in all spaces of our community! On Sundays, our services often include a special Time for All Ages section where your children's voices are celebrated as part of our community's sacred sources. Your children are always welcome to stay with you for the remainder of the service in the sanctuary or are warmly invited in the classroom for connection, creation, and fun with other children and our Children's Religious Exploration Team.
